CREATE A DIGITAL STORY

Create a digital, interactive story during the Hour of Code! Using the Google CS First Scratch based activity called *An Unusual Discovery*, participants will see how fun it is to be creative with coding. This is a self-paced class using the Google CS tutorials.

Recommended age 8+

The library has a limited number of laptops. Please bring a WIFI enabled device or call the number below when registering to reserve a library device.

Families can attend and code a story together!
