

Director of Special Projects Announcement

Mrs. Hinkle attended Drew University in Madison, NJ and received a Master's degree from Fairleigh Dickinson.

She holds certificates in Elementary Education, K-12 Social Studies, Supervisor, Principal and Superintendent.

Mrs. Hinkle joined CTSD in October of 2013 as Vice Principal at RVS from nearby Lebanon Township School District.

In August of 2015 became Supervisor of Instruction, Data & Assessment,

In July 2018, Mrs. Hinkle became Acting Director of Special Projects.

Mrs. Hinkle played an essential role in the planning and completion of the district reorganization this past summer. Her work in the district and specifically in the area of curriculum and assessment has been vast.

Mrs. Hinkle has worked with curriculum chairs and district staff on developing district curriculum and student programs.

She has brought essential professional development to our staff in areas of reading, writing, math, and Problem Based Learning.

She ensured the students and staff have robust resources such as technology devices, online learning programs, accelerated math opportunities, Google Expedition Virtual reality learning, RVS Design Lab, STEM programs, the list goes on.

Mrs. Hinkle has also worked with district administration on teacher observation and evaluation as well as the new principal evaluation system developed by the NJ DOE.

I am pleased to recommend Mrs. Hinkle for the position of Director of Special Projects.
