Recognition of District Staff End of the School Year

June 2019

The 2018-2019 school year officially ends this week. The hallways in our school will become very quiet until they reopen in late August. We would like to take this time to wish all of our families a wonderful, fun filled and relaxing summer. The Board is looking forward to seeing everyone back in September for the 2019-2020 school year.

The entire board of education would like to thank our staff for their commitment to our students and for all that they have done each and every day during this past school year. The members of our staff have helped to make a difference in our children's lives. Enjoy time with your family and friends this summer. We look forward to seeing you back in late August.
