"Where Children Come First"

Dear CTSD Families and Staff,

On January 9th, we began the process of developing our new Strategic Plan. Our initial group consisted of Board members, Administrators, teachers and community members. Although we were a small, wonderful group, we are hoping that our next meeting will have more stakeholders attending.

Strategic plans set the tone and provide guidance for the next five years. A lot can happen in that amount of time! We want to engage in great discussions and get input from a wide variety of perspectives on the goals for our schools. It is our goal within a goal to increase input and communication across the district. We hope that you will be able to attend the next meeting on **January 31, 2019 (this Thursday)**, at the Clinton Township Middle School, at 7 PM. We will be meeting in the cafeteria.

Information from our last meeting is available on the website. [Strategic Plan Information 2019](#)

Please note the following date for the third and final meeting is **February 12, 2019 (Tuesday)**. We will meet at the Clinton Township Middle School, 34 Grayrock Road Clinton, New Jersey 08809 at 7:00 pm

Thank you and we hope to see you there,

A handwritten signature in black ink that reads "Michele Cone". The signature is written in a cursive, flowing style.

Michele Cone
Superintendent of Schools
Clinton Township School District
