She welcomed the students, their coaches and Principal, Mrs. Hammond. She noted that the meeting will consist of the standard committee meeting updates as well as that of the Ad Hoc Committee of Feasibility of Closing a School. In addition, a preliminary budget presentation for the 2017-2018 school year will be given by Dr. Villani and Mrs. Juskiewicz. If approved by the board, Mr. Juskiewicz will submit the preliminary budget to the County Superintendent. Upon approval from the County, on April 24th the Board will hold its annual hearing on the budget and a vote to approve it will take place that evening.

REPORT OF THE SUPERINTENDENT OF SCHOOLS
Action Items 17-SU-017 through 17-SU-020

Dr. Villani will present the following to the Board of Education:

1. Fall and Winter Athletics Presentation
2. Enrollment Report - 1,349
3. Suspension Report - N/A
4. Consolidated Monitoring Action Plan
5. 17/18 Preliminary Budget Presentation - Mr. Anthony Juskiewicz

Dr. Villani welcomed parents and students to the meeting. She turned the floor over to Mr. Ruge and Mr. Helmstetter who thanked everyone for their support and spoke of the students’ strong school and athletic commitment. He then called upon the coaches of the various fall and winter sports teams to speak of each team and their accomplishments. Each team was then acknowledged by a round of applause.

Mrs. Grant acknowledged the student athletes and voiced how proud the Board is on their commitment to their team and the sport itself. She also thanked the parents for their support of all athletes. She then thanked the coaches for their positive attitudes and all they have done for the students.

Dr. Villani also thanked the students for giving it their all and the parents for all of their support. She thanked the coaches for all they did for the students, Ms. Hammond and Mrs. Cone for their support of the programs in their school and Mr. Ruge and Mr. Helmstetter for coordinating the events.

Mrs. Grant then excused the students. Dr. Villani announced the closing of the Clinton Township School District for March 14th due to snow. The news was well received by the students.
Dr. Villani shared that as a follow up to the Consolidated Monitoring presentation by Mrs. Steinheimer from the February meeting we are required to report on the Corrective Action Plan that we are to submit to the state. She reminded the audience that we had six programs and three fiscal areas. Only the fiscal areas are required to have a corrective action plan. She noted that the Corrective action plan will be made available on our website.

The first area was with students names being included on vendor invoices for purchase orders for out-of-district placements. Mr. Juskiewicz and his staff have been in contact with the out-of-district schools asking them to identify students by their student id only as is done within district.

The second fiscal item was that certain policies and standard operating procedures were out of date and in need of revision. She shared that our district is in the process of switching from one policy program to another. Mr. Juskiewicz was easily able to provide to the Monitor with the updated editions. They were, however, not posted on our website. The Standard Operating Procedure manual has been updated.

The third fiscal item was that our district had made confirming orders, purchases prior to having a purchase order ahead of services being rendered. These happened strictly in our Preschool program and have been corrected.

Dr. Villani then shared some school related activities. March 2nd was Read across America where students in PreK through grade six celebrated with a number of activities in their buildings. Dr. Ge'e wore her Cat in the Hat outfit as she read to students and a Central Office Staff Member dressed in a full Cat in the Hat costume and visited many of the classrooms at Round Valley School. Dr. Villani judged the door contest at Round Valley School which was difficult as all of the doors were wonderful. She remarked that the students and staff are very talented and did a fantastic job.

The Hunterdon County Library Association has a reading award program each year given to students in Hunterdon County who show enthusiasm for reading, sharing books and using libraries. This year two students in our district have won the award. She congratulated Arbin Husenaj in first grade and Rachel Bielenberg in fourth grade. On May 24th there will be a reception to recognize all students in the county who have won the award.

Dr. Villani congratulated the block five Law Fair students in RVS who won second place in the NJ State Bar Association Law Fair competition and period one grade eight students who took second place for their category on March 7th.

She reminded the audience that the 8th grade presentation of Honk Jr. is March 16th and 17th at 7pm and March 18th at 4 pm.
