0131 BYLAWS AND POLICIES

Formulation, Adoption, Amendment of Bylaws

The Board of Education's bylaws are rules designed to organize and control its internal operations. Some bylaws are set by statute. Others may be formulated and adopted at its option by the Board of Education itself as long as they are in harmony with the intent and specifics of the statutes.

In its deliberations leading to the establishment or amendment of its bylaws, the Board's central concern will be for increased efficiency and effectiveness in carrying out its legally mandated tasks.

Proposed new bylaws and suggested amendments to or revisions of existing bylaws shall be adopted by a majority vote of the members of the Board present and voting during the second of two regularly or specially scheduled meetings of the Board. The proposed additions, amendments or revisions shall have been described in writing in the calls for these meetings.

Formulation, Adoption, Amendment of Policies

The governance of the district through policies directed toward providing a thorough and efficient education for its pupils is one of the most important functions of the Board of Education. Therefore, the Board shall establish a careful process to ensure:

- A. Development of clear, workable, legal policies that reflect mature consideration of the will and needs of the community; and
- B. Timely, accurate evaluation of the effectiveness of the policies in the achievement of district objectives and progress toward goals.

In order to ensure that the total policy process is implemented effectively, the Board appoints the Superintendent as policy coordinator. In cooperation with the Board, he/she shall establish procedures to implement this bylaw that shall include an action plan for the careful development of policies and their regular review; appropriate policy goal-setting; a process for evaluation of district and school progress toward or achievement of policy goals; and appropriate standards of measurement and criteria for judging such progress.

The procedures shall conform in all respects to the bylaws of the Board concerning agenda and meetings. The procedures shall provide a means whereby all interested parties in the school community may submit proposals for additions and amendments to the school district governance manual, and may contribute opinions and information for the Board's consideration.

The policy coordinator shall ascertain any conflicts between proposed and existing policies and bring them to the attention of the Board at the first reading of the draft. Policies may be adopted on second reading by a majority vote of the members of the Board present and voting or may be further revised until consensus is reached. Note: First reading means the first time the policy is presented, not the first time a policy is approved in its final form.

In the interest of efficient administration, the Superintendent shall have the power to decide all matters of detail that may arise for which no specific provision is made in the policies adopted by the Board, but no emergency action shall constitute official Board policy. The Superintendent shall present the matter at the next Board meeting, so the Board can consider policy to deal with that situation in the future.

The Board reserves to itself the right to final determination of what shall be the official policy of the school district.

Suspension of Policies, Bylaws and Regulations

The Board of Education has developed a careful and deliberate process of formulating and adopting its policies and bylaws. Requests for suspension of any existing policy or bylaw should receive the same careful consideration.

Therefore:

- A. Any request for a waiver of policy or bylaw shall be considered in light of the policy or bylaw itself, rather than any particular circumstances of the moment.
- B. The Board shall decide whether the policy or bylaw still reflects the considered intent of the Board. If it does, the suspension will be denied and the policy or bylaw reaffirmed in the minutes.
- C. If the policy or bylaw does not reflect the intent of the Board, then the policy shall be waived by a majority vote of the members of the Board present and voting and development of a revised policy or bylaw shall become the Board's prime policy priority.

Bylaws and Policies

- D. The Board shall determine whether rights of the public would be adversely affected by the proposed suspension or waiver of policy. If the public's rights would be adversely affected, the suspension or waiver will be denied.

In the event of an emergency requiring immediate action, the Superintendent shall have the power to waive policy or regulation in the single instance. In such cases, the Superintendent shall report the instance to the Board President immediately, and request reconsideration of the policy at the next regular meeting.

Executive Authority

0132 EXECUTIVE AUTHORITY

The Board of Education shall exercise its executive power in part by the appointment of a Superintendent as Chief School Administrator, who shall enforce the statutes of the State of New Jersey, rules of the State Board of Education, and policies of this Board.

The Superintendent shall prepare regulations for the administration of the school district that are consistent with statutes or rules of the State Board of Education and are dictated by the policies of this Board. Administrative regulations shall be binding on the employees and the pupils of this school district when issued and shall be provided to the Board for the information of Board members except where Board approval is required by law.

The Superintendent shall be delegated the authority to take necessary action in circumstances not governed by Board policy and shall report any such action to the Board at the first regular Board meeting following the action.

The Superintendent shall have a seat on the Board and shall have the right to speak on all matters at meetings of the Board, but shall have no vote.

Adopted: 26 July 2010
Revised: 16 December 2013

0133 ADJUDICATION OF DISPUTES

The Board of Education may assume jurisdiction over any dispute or controversy arising within this school district and concerning any matter over which authority has been vested in the Board by statute, rule of the State Board of Education, or a contract or policy of this Board.

The Board may hold hearings that will offer the parties to a dispute, on notice duly given, a fair and impartial forum for the resolution of the matter.

Beyond the basic requirements of due process a hearing will vary in form and content as dictated by the severity of the consequences that may flow from the Board's determination, the degree of difficulty of establishing findings of fact from conflicting evidence, and the impact of the Board's decision on the school district.

Regulations for the conduct of adjudicatory hearings of the Board shall be prepared as guidelines for those who may be heard by the Board.

A decision of the Board may be appealed to the Commissioner of Education.

Adopted: 26 July 2010
Revised: 24 August 2015

0134 BOARD SELF EVALUATION

The Board of Education is committed to the belief that every part of the school system in this district should be accountable to the public and that performance evaluation is essential to that accountability. The Board further believes that the improvement and growth of any institution depends upon an honest appraisal of its strengths and weaknesses. The Board accepts, therefore, responsibility for the conduct of a systematic program of self-evaluation and appraisal. The standards against which the Board will evaluate itself will be the educational goals, bylaws, and policies duly adopted by this Board.

The Board will annually adopt an evaluation instrument that permits individual Board members to record their assessments of the conduct of Board meetings, the fiscal management of the district, the conduct of the instructional program, and the relationship of the Board with the Superintendent, other district staff members, and the community.

The assessments of Board members will be tabulated and presented for discussion at a regular meeting of the Board in which the Superintendent will be invited to participate. The Board will formulate, as appropriate, goals and priorities that will serve to guide the Board in the ensuing school year.

Board Member Election and Appointment

In considering candidates who have expressed an interest in a vacancy, the Board of Education may interview candidates in public or executive session. The Board must vote to appoint a candidate to a vacancy in public session and there shall be no decisions made in executive session. In the event interviews are conducted in executive session, Board members, in the public session nomination and voting process, shall express their opinion in support of their vote so the public can witness any deliberations, policy formulation, and the decision making process of the Board.

A roll call vote will be conducted on candidates in the order the candidates were nominated with a second. If there are two or more vacancies, each vacancy will be filled by a separate election process. The first candidate who receives the votes of a majority of the remaining Board members will be elected to the vacancy. In the event no candidate receives a majority vote of the remaining Board members, another election process shall be conducted between the two candidates receiving the highest number of votes.

0162 NOTICE OF BOARD MEETINGS

The Board of Education will give notice of all meetings in accordance with law.

Public Notice

The Board Secretary shall notify, in writing and no later than forty-eight hours in advance of the meeting, each Board member and each person who has duly requested such notification of the time, date, location, and, to the extent it is known, the agenda of any regular, special, or rescheduled meeting. Forty-eight hour notice shall also be posted in the Board office, delivered to two newspapers designated by the Board, and filed with the clerk of Clinton Township, except that forty-eight hour notice is not required where the time, date, and location of the meeting has been published in the annual list of meetings approved by the Board in accordance with law.

Upon the affirmative vote of three-quarters of the members present, the Board may meet in the absence of adequate notice, provided that discussion and action is limited to specific and unforeseen or unforeseeable matters of such urgency and importance that delay for the provision of notice would be likely to result in substantial harm to the public interest and that notice is given as soon as possible after the call of the meeting in accordance with the provisions of law and this bylaw.

Personal Notice of Meeting

The Board shall provide personal notice in writing to the parent(s) or legal guardian(s) of a minor pupil, an employee or officer of this district, or a prospective employee whose privacy may be invaded or whose employment may be affected by the Board's deliberations in private session. Personal notice will be given no less than seventy-two hours in advance of the private meeting.

A written request for public discussion must be signed by the person making the request and must be submitted to the Board Secretary prior to the commencement of the meeting. Any such properly submitted request will be granted. In the event that one or more, but fewer than all, of a group of persons whose employment will be discussed request a public meeting, the discussion regarding the person or persons who have submitted the request will be severed from the rest and will be conducted publicly.

0163 QUORUM

A quorum shall consist of five Board members, and no business shall be conducted in the absence of a quorum, except when the Doctrine of Necessity is invoked.

In the event a quorum is not present at the hour of convening, the meeting may be recessed to a time not later than 9:00 p.m. of the same day. If a quorum is not then present, the members present may adjourn the meeting to a later date within seven days.

The Board of Education recognizes that there may be matters that come before the Board or acts required of Board members in their official capacity where the Board member may have a conflict of interest or the act would be in violation of N.J.S.A. 18A: 12-24. In these matters, the Board member(s) will remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter. The Board will consider this matter without the Board member(s) who has the conflict.

In the event a matter comes before the Board or an act is required of a Board member in his/her official capacity that is a conflict or would be in violation of N.J.S.A. 18A: 12-24, the Board would still be required to have a quorum to consider the matter. However, the New Jersey Department of Education and the School Ethics Commission has envisioned this prohibition could create a situation in which so many Board members have a conflict, that the Board would be unable to take action on a matter. Therefore, when more than a quorum of the Board members must abstain from voting on a matter, the Board will invoke the Doctrine of Necessity consistent with the New Jersey Department of Education and School Ethics Commission guidelines as follows:

A. Board Member(s) in Conflict - Less Than a Majority of The Board

1. In the event a Board member(s) has a conflict of interest where the Board member will act in his/her official capacity, the Board member must remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter.
2. In the event a Board member is unsure whether he/she or any other Board member has a conflict of interest or whether the matter, if acted upon by a Board member(s) is in violation of N.J.S.A. 18A: 12-24 - Prohibited Acts, the School Board Attorney will make a determination.
3. The School Board Attorney will provide the Board of Education an opinion on whether the matter is a conflict of interest or act prohibited by N.J.S.A. 18A:12-24 - Prohibited Acts.

BYLAWS

CLINTON TOWNSHIP BOARD OF EDUCATION

4. If the Board member(s) believes he/she has a conflict of interest where he/she will act in his/her official capacity or if the School Board Attorney renders an opinion that the Board member has a conflict of interest where the Board member will act in his/her official capacity, the Board member will remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter.
- B. Majority of Board Members in Conflict
1. In the event:
 - a. A Board member(s) believes he/she has a conflict of interest where he/she will act in his/her official capacity; or
 - b. If the School Board Attorney renders an opinion that the Board member(s) has a conflict of interest where the Board member will act in his/her official capacity; and
 - c. The number of Board members that have a conflict would make it so the Board would be unable to take action on the matter, then the Board may invoke the "Rule [or Doctrine] of Necessity." Citing *U.S. v. Will*, 449 *U.S.* 200 (1980)).
- C. Rule [Or Doctrine] Of Necessity
1. The Doctrine of Necessity may be invoked when more than a quorum of the Board must abstain from voting on a matter.
 2. There are three prerequisites necessary for a Board to invoke the Doctrine of Necessity:
 - a. The Board must be unable to act without the members in conflict taking part;
 - b. There must be a pressing need for action, i.e. the matter cannot be laid aside until another date; and
 - c. There can be no alternative forum that can grant the same relief. (*Allen v. Toms River Regional Board of Education*, 233 *N.J. Super* 651 (Law Division 1989)).

3. When the School Board Attorney advises the Board the Doctrine of Necessity must be invoked in order to obtain a quorum on a vote, the Board must announce that it is invoking the Doctrine.
 - a. The announcement must include the reason the Board must invoke the Doctrine of Necessity including stating the nature of each Board members conflict.
 - b. The announcement will be in writing and should be recorded in the minutes of the meeting by the Board Secretary at the point when the vote takes place.
 - c. It is enough for the Board to announce it is invoking the Doctrine and a Board Resolution is not required.
4. When the Board announces the Doctrine of Necessity is being invoked, the details, parameters and/or other pertinent facts of the matter to be voted should be revealed on an agenda for the public meeting in which the matter is to be voted upon.
5. The Board members who have a conflict in the matter are prohibited from:
 - a. Participating in any discussions on the matter prior to the announcement and public meeting; and
 - b. From entering an executive session in order to discuss the merits of the matter or contract; and
 - c. From offering their opinions on the matter at any time prior to the announcement and public meeting.
6. The Board members who have a conflict in the matter may only participate to the extent they may vote after the motion to approve and/or ratify the matter has been made and seconded and the Doctrine of Necessity has been thoroughly explained to the public.
7. Board members in conflict may only ask questions regarding the matter to be voted on in public and after the Board has invoked the Doctrine of Necessity.

2. That such need could reasonably have been foreseen in time for adequate notice, but nevertheless such notice was not provided, and the reasons why.

Annual Notice

Annual notice of the year's regular meeting schedule must be posted publicly and sent to at least two newspapers and the municipal clerk within seven days following the annual organization meeting. This notice should contain the location of each meeting to the extent it is known as well as the time and date. The annual schedule serves as sufficient notice of any regularly scheduled meeting as long as it contains the proper date and location. If most meetings are on a regularly scheduled basis, whether they are formal sessions or study sessions, the notice requirement can be largely met through the once-a-year schedule.

Both the annual schedule of meetings, any revisions to that schedule, and notices of any additional meetings must be sent to any person upon request and upon prepayment of a sum set by the Board. Requests to be on the mailing list for notices can be made on an annual basis and are renewable each reorganization meeting.

The Superintendent and School Business Administrator/Board Secretary shall prepare an agenda of items of business to come before the Board at each meeting. The agenda shall be delivered to each Board member typically no later than two days before the meeting and shall include such reports and supplementary materials as are appropriate and available.

The order of business shall be as follows:

0168 RECORDING BOARD MEETINGS

The Board of Education directs the creation and maintenance of an official record of the formal proceedings of the Board and will permit the unofficial recording of Board meetings in accordance with this bylaw.

Minutes

The Board shall keep reasonably comprehensible minutes of all its meetings showing the time and place, the members present, the subject considered, the actions taken, the vote of each member, information sufficient to explain the actions taken, and any other information required to be shown in the minutes by law.

Minutes of public meetings shall be public records signed by the Board Secretary and filed in the Board Secretary's office in a minute book as the permanent record of the acts of this Board.

Minutes of executive meetings shall be filed in the Board Secretary's office in a place separate from the minute book until the time, if any, when the proceedings may be made public. At that time, the minutes shall be public records and shall be filed in the regular minute book.

The Board Secretary shall provide each Board member with a copy of the minutes prior to Board approval.

The Board Secretary shall make an audio tape recording of each Board meeting as an administrative aid in the preparation of minutes. The recording shall be permanently preserved as a governmental record in accordance with the Open Public Records Act.

Recording by the Public

A member of the public may record the proceedings of a public meeting of the Board provided the photographic, audio or video recording process complies with reasonable guidelines as outlined in this Bylaw. These guidelines are adopted to ensure the recording of the public meeting does not interrupt the proceedings, inhibit the conduct of the meeting, or distract Board members or other observers present at the meeting.

Recording Board Meetings

The Board will permit the use of photographic or video recording devices only when notice of such intended use has been given to the Board Secretary in advance of the meeting. The Board Secretary or designee shall review the photographic or video recording guidelines with the person requesting to photograph or video. Prior notice is not required to audio record a meeting.

All photographic, audio or video recording devices shall be silent in operation, inoffensive, and unobtrusive. Any photographic or video recording device must be located and operated from inconspicuous locations in the meeting room as determined by the presiding officer of the meeting. Prior to the meeting, the presiding officer will determine the location of each recording device so the photographic or video recording device can record the meeting with an unobstructed view. The presiding officer may permit a person wanting to photograph/video record the meeting using a small hand-held camera/video recording device to sit with their camera/video recording device in the public seating area of the meeting room provided the person recording and/or the recording device is not distracting or obtrusive to the meeting. A person that wants to photograph/audio record a public meeting shall sit with their camera/audio recording device in the public seating area of the meeting room and shall not be distracting or obtrusive to the meeting. Additional lighting shall not be used unless approved by the presiding officer prior to the meeting. All recording devices must be battery operated, as the district cannot guarantee convenient availability or location of electric outlets in the meeting room.

The presiding officer shall determine when the number of camera/video recording devices or if a camera, audio or video recording device interferes with the conduct of a Board meeting and may order that an interfering device be removed or relocated. The presiding officer may also limit the number of photographs and video recording devices if he/she determines the number and positioning of the photographic/video recording devices will be an unnecessary intrusion to the meeting. In this event, preference will be given based on the order in which prior notice requesting to record the meeting was provided to the Board Secretary.

Any person who photographs/video records a public meeting in accordance with the provisions of this Policy shall provide the Board the opportunity to obtain a copy of the photographs/recording at the Board's expense, but the Board shall have no power to edit or abridge the original recording.

2. Written letters, internet (chat) discussions, e-mails, and supporting documents regarding the school district's public business written by Board members to other Board members shall not replace deliberations that would prevent the public from witnessing in full detail all phases of the Board's deliberations, policy formulation, and decision-making process in accordance with the intent of the Open Public Meetings Act.

Any professional services contract(s) for legal services shall prohibit advance payments. Services to be provided shall be described in detail in the contract and invoices for payment shall itemize the services provided for the billing period. Payments to legal counsel(s) shall only be for services actually provided.

School districts and vocational school districts are prohibited from contracting with legal counsel or using in-house legal counsel to pursue any affirmative claim or cause of action on behalf of district administrators and/or any individual Board members or pursuing any claim or cause of action for which the damages to be awarded would benefit an individual rather than the school district as a whole.

The Board of Education will annually establish prior to budget preparation, a maximum dollar limit for each type of professional service, including legal services. In the event it becomes necessary to exceed the established maximum dollar limit for the professional service, the Superintendent of Schools shall recommend to the Board of Education an increase in the maximum dollar amount. Contracts with Independent Consultants

0175 CONTRACTS WITH INDEPENDENT CONSULTANTS

The Board of Education may from time to time engage the services of one or more independent contractors to advise and assist the Board in analyzing school district operations and preparing Board reports when those tasks cannot be performed as economically by district staff members.

Wherever possible, the Board will seek proposals from multiple sources before a contract with an independent consultant is entered. The Board will not contract with a Board member or the spouse, child, parent(s) or legal guardian(s), or sibling, in fact or in law, of a Board member as an independent consultant.

The Board will engage the services of an independent consultant only by written contract, which must specify the work to be accomplished by the consultant, the time within which the work is to be completed, and the fee that will be paid the consultant. An independent consultant engaged by the Board is neither agent nor employee of the Board and may represent the Board only as expressly authorized to do so in writing.

An independent consultant may have access to such school facilities and school district employees as may be reasonably required in the performance of the consultant's contract with the Board. Except as expressly permitted by the contract, any communication between the consultant and a district employee or community member regarding the work of the contract must be conducted through the Board or a designated school official.

Materials and reports generated and created by the independent consultant in the performance of his/her contract with the Board are and will remain the property of the Board and are subject to Board Policy No. 8310 on public records.

The Board member does not automatically violate N.J.S.A. 18A:24 by voting to approve and/or ratify this contract solely on the basis of his/her status or that of an immediate family member with respect to membership or representation by a different local affiliate of the same Statewide association with whom the agreement is made provided the Board member's involvement with such local affiliate has not or appears to have not compromised the member's objectivity or independence of judgment.

In accordance with N.J.S.A. 18A:12-24, the Board member shall not participate in the collective bargaining process and/or serve on the negotiations committee representing the Board with this unit, association, and/or union. The Board member may vote during the public meeting to approve and/or ratify a contract with this bargaining unit, professional association and/or union.

The Board member shall not participate in any aspect of negotiations and/or vote to approve/ratify a tentative memorandum of agreement/contract ratification if the Board member has an immediate family who is a member of the bargaining unit, professional association and/or union within the school district.
