Dear Parents

Last evening, I notified the Board of Education of my resignation as Superintendent of Schools effective June 30, 2020. The opportunity to serve in the district over the past five years as the Middle School Assistant Principal, Director of Special Projects and, most recently, the Superintendent of Schools has been an honor for which I am grateful. My sincere thanks to the Clinton Township Board of Education for the privilege of serving the students of the district and their families.

Please know that my 100% commitment to the students and families remains steady through June 30th. As we navigate through the many difficult and challenging tasks during this unprecedented time, I will remain dedicated to the education and needs of our students.

Again, thank you, and all best wishes,

Dr. Michele Cone
