

NJSLA Parent Information: Student results videos available at <https://nj-results.pearsonaccessnext.com/login>

To access, you will need your child's Parent Report that was mailed out in September. You will have an access code on this report, which is an individual code, unique to each student. Once you create an account and log in, (see the screenshot image below), you can access a video that will walk you through your child's performance.
